

Department of Community and Utility Services

Building Open House

Saturday, February 27 2-4pm

The new Department of Community and Utility Services building is now complete. The building is home to the crew responsible for snow removal, fleet maintenance, garbage and recycling collection, sewer, stormwater, and more.

Come visit to:

- Tour the facility.
- See our Village equipment including snow plows and garbage trucks.
- Meet Village officials.
- Enjoy cookies and hot chocolate.
- Head outside afterwards for sledding on Mt. Bayside!

The building is located behind Village Hall at 9075 N Regent Rd. Please park in the Village Hall South parking lot or the sled hill lot located off of Fairy Chasm Rd.
